

AN INTRODUCTION SILVERLAND HOSPITALITY GROUP

Silverland Hospitality is constantly developing a portfolio of luxurious properties that captures the true essence of Saigon.

Tracing a captivating path through the heart of the 'Pearl of the Far East', Silverland's eight hotels reflect the unique history and culture of this majestic metropolis with distinct designs, old-world flair and a commitment to making each and every guest arrival feel like a celebrated homecoming.

Eight properties. Eight distinctive locations. Eight great ways to experience the soul of Saigon. Discover the collection of our luxury boutique city hotels:

- **The Myst Dong Khoi - A city of memories**, where hushed modern spaces and singular design harbour relics of Saigon's storied past – stained-glass details, wrought iron roses and cherished local artefacts
- **Silverland mây Hotel - A Saigon Amidst Saigon**, nestled on a peaceful street in the heart of the city, a combination of modern architectural resonance and delicate natural accents. Inspired by the image of the "cotton tree" offers a charming, friendly, relaxed, yet ethereal space.
- **Silverland Ben Thanh Hotel - The integration of architecture and local cultures**, find windy corridors, asymmetrical shapes, tall and wide windows, or artworks made of fabric scraps displaying familiar outfit patterns of the women living their busy days in Saigon
- **Silverland Sakyo Hotel - Saigon Soul in 'Little Tokyo'**, Saigon's soul and the order and serenity of Japanese culture have been distilled to create one of Little Tokyo's original and most highly regarded hotels.
- **Silverland Jolie Hotel - Discover Your Saigon Sanctuary**, tucked away on a quiet lane off the bustling streets of downtown Saigon, a night is a little like coming home.
- **Silverland Yen Hotel - Step Into Serenity**, drawing inspiration from the serene elements of Japanese Zen culture and embracing the Vietnamese concept of "bình yên" or "peacefulness," design philosophy seeks to nurture every sense and evoke a deep sense of tranquility within you.
- **Silverland Sil Hotel - The calming water flow in the midst of noise**, brings the rhythm of the calming water flow in the midst of the city's noise to our guests into every single touch. Embracing from Japanese culture, where water symbolizes purification and life, brings water flow
- **Silverland Min Hotel - The Simplification in Bustling Saigon**, nestled on one of Saigon's bustling streets, a harmonious balance between dynamism and minimalism, Japanese modernism in every detail, immersing you in a serene ambiance and soothing fragrances.
